Bailadila Mines

6658. SHRI GHUFRAN AZAM: Will the Minister of STEEL be pleased to state:

(a) the present status of the Bailadila Mines (11-B) of the National Mineral Development Corporation Limited;

(b) the present term of the lease for the said mines by the State Government concerned;

(c) whether the NMDC Limited has expressed its inability to operate and generate profitable resources from the said mine; and

(d) if so, the details thereof?

THE MINISTER OF STATE OF THE MINISTRY OF STEEL (SHRI SANTOSH MOHAN DEV): (a) to (d) The 11-B deposit which is part of Bailadila Deposit No. 11 for which the National Mineral Development Corporation (NMDC) holds mining lease that is presently valid upto September, 1997, reportedly contains iron ore that is best suited for production of sponge iron in gas-based plants. There is a proposal to develop the mine as a joint venture project of NMDC and one of the private sector companies who are operating or setting up a gas-based sponge iron plant in the country and who already have an assurance from NMDC to meet a substantial part of the plant's requirement of iron ore. However, no final decision has been taken in this regard so far.
